

Premium tanning from a stand up kind of company

Spray HEX

All skin types achieve a dark, natural-looking tan.

- 3-second tanning
- 360-degree mist
- Easy to install and operate
- Profitable
- Quiet
- Efficient
- Reliable
- Best designed and engineered spray tanning system in the industry
- Available in 150 different laminate exteriors
- All parts are easily accessible
- Available with or without attached dressing room

A treat for your customers and your business

The Spray HEX mist has the same all-natural, health-promoting solution bomm puts in Jo Al's Tan. Even fair-skinned customers can achieve a dark, natural-looking tan in a single session. The session is great for their skin and their feeling of general well-being.
